MODERNIANS VOLUNTEER PROGRAM

Giving children the opportunity to volunteer in their community allows them to develop social skills, gain a sense of purpose and the chance to help others.

The Mods Volunteer Program (MVP) encourages the spirit of giving back to the club and community, and exposes our junior members to other aspects of club life outside of the game.

Our goal is to continue building on the strong community culture at Mods, encouraging our juniors to carry on this mentality into their senior playing years.

Players accumulate points through different volunteer categories;

- Canteen
- Coaching
- Special Events
- Whistlers Program (first year)

Hours/points accumulated will go towards your overall seasons achievement.

This program is for juniors in Years 9-12.

HOW CAN I VOLUNTEER AT MODS?

Coaching

Junior coaches are an important asset to our Goldstix Program. This introduction to hockey is for children from Kindy to Year 2. Coaching takes place on Thursday afternoons at Charles Varyard from 4:30-5:30pm.

Contact - Damon Diletti damon@goldmedalservices.net.au

Canteen

Our canteen is open every Saturday morning for junior games. Volunteers are needed to work in the canteen. Duties include food prep, money handling and cleanup.

Whistlers Program - Umpiring

Modernians Hockey Club has developed their own Whistlers program for young up and coming juniors to umpire hockey. The program aims to support the development of strong umpiring capability within the club. The first year of this program is on a volunteer basis as you develop your skills. All Umpires will need a Working with Children check.

Contact - Alison Le Dain alison.ledain@gmail.com

Special Events

Throughout the season special events and weekly club dinners will take place. We are always looking for extra help in order for these events to run smoothly.

HOW DOES IT WORK?

- Record all of your volunteer hours for Mods HC in this book.
- Take this book with you each time you volunteer.
- Have your supervisor sign off at the end of your shift.
- Hours/points accumulated will go towards your overall seasons achievement.
- Participants will have the opportunity to have their name on our new Volunteers Honour Board, based on their volunteer hours.
